

Within this leaflet you will be able to find out about the learning adventure that your child will be going on this half term.

At London Colney, we strive to deliver a personalised, creative and enriched curriculum for your child, whereby they can develop and master a wide range of skills.

We endeavour to provide opportunities for your child to learn in a way that is engaging, purposeful and fun!

We hope your child experiences this on their learning journey this half term and if you have any questions, don't hesitate to ask.

#### Values / SMSC

This half term we are going to be thinking again about fixed and growth mind-set and how we can adopt the latter.

We will continue to think about our values during whole school and class assemblies.

We will be using Jigsaw to support with our personal, social, health and emotion development

#### Key Events this Half Term

31st October—School photographer

10th November—flu vaccination

## **London Colney Primary and Nursery School**

Mini Grey  
Learning Adventure

## **Why don't penguins need to fly?**

## English

Within our English lessons, we will be focusing on the text

The Emperor's Egg. We will continue to complete Big Write each week and learn new grammar devices which will be outlined in Talk Homework weekly.

## Learning Adventure

This enquiry introduces young geographers to the concept of biomes and natural regions. It enables them to understand the importance of location in relation to the Equator and poles in determining weather and climate, which in turn have such an influence on shaping the natural geographical features of environments. Pupils will come to understand the distribution of hot and cold places in the world and how living things have to adapt to survive in such places.

## Computing

We will be using Purple Mash to learn about Spreadsheets.

## Maths

In maths this half term, we will be focusing on addition and subtraction.

## Science

In our science work we will be exploring the topic 'Animals Including Humans'. Children will explore how animals, including humans, have offspring which grow into adults. Children will investigate the basic needs of animals in order to survive and will think about how keeping healthy contributes to this.

## Religious Education

Religion—Christianity. We will be investigating the question 'Why do Christians believe that God gave Jesus to the world?'

## Physical Education

We will continue to have weekly PE lessons this half term on Monday and Wednesday. Our focus will be athletics and gymnastics.
