

Within this leaflet you will be able to find out about the learning adventure that your child will be going on this half term.

At London Colney, we strive to deliver a personalised, creative and enriched curriculum for your child, whereby they can develop and master a wide range of skills.

We endeavour to provide opportunities for your child to learn in a way that is engaging, purposeful and fun!

We hope your child experiences this on their learning journey this half term and if you have any questions, don't hesitate to ask.

#### Values / SMSC

This half term we are going to be thinking again about fixed and growth mind-set and how we can adopt the latter.

We will continue to think about our values during whole school and class assemblies.

We will be using Jigsaw to support with our personal, social, health and emotion development

#### Key Events this Half Term

-

## **London Colney Primary and Nursery School**

Joe Todd-Stanton  
Learning Adventure

How can we live  
more sustainably?  
Year 4

### English

Within our English lessons, we will be using the text "One Plastic Bag" by Miranda Paul. We will be focussing our learning on the moral of the story and creating a range of writing surrounding this. We will use a combination of drama, art and DT to support our learning.

### Topic

Our Topic this term will be on Sustainability.

We will begin our topic by exploring what sustainability means and how we can make our school more sustainable. We will then continue on to how we are sustainable as a country and compare this to other countries.

### Computing

We will be focussing on Spreadsheets for this half term. We will be using Purple Mash to complete this topic.

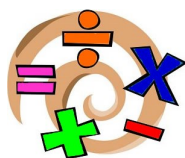

### Maths

We will start our half term in maths by broadening our knowledge of addition and subtraction—using four digit numbers.

We will then move onto exploring measurement, multiplication and division.

With all our work, we will constantly be looking to reason and problem solve.

### Science

In our science work we will be learning about living things and their habitats. We will specifically be zoning in on grouping different living things based on various characteristics.

### Religious Education

We will be using the Jigsaw scheme of learning for Religious Education to learn about Christianity. We will be looking closely at incarnation.

### Physical Education

We will be attending swimming lessons each Tuesday in addition to our weekly PE lessons on a Friday.
