

Year Four Family Learning Project - Autumn 2

Please work as a family to complete as many of these tasks as you can. For the 'Brain Wave' section, you may like to think of your own research or project that you could complete linked to the Learning Adventure.

Learning Adventure Theme	Calculate or Reason	Write	Discuss	Create	Teach	Visit	Investigate	Watch or Listen	Brain Wave
How can we live more sustainably?	Can you create a chart to represent the rankings of country's sustainability?	<p>Create an information leaflet to help people live sustainably</p> <p>CHALLENGE! Can you research some facts about sustainability to include?</p>	<p>What can you do in your household to be more sustainable?</p> <p>CHALLENGE! Can you think of how we can improve sustainability in school?</p>	<p>Junk modelling – use some of your household recycling to create a new product to help sustainability?</p> <p>CHALLENGE! Can you name your product?</p>	<p>Can you teach someone at home about the ways in which we can live more sustainably?</p> <p>CHALLENGE! Can you convince someone to live more sustainably?</p>	<p>Visit a local recycle centre</p> <p>CHALLENGE! Can you list the different materials collected?</p>	<p>Can you find out how we are sustainable in England?</p> <p>CHALLENGE! Can you decide which method is most valuable?</p>	<p>Watch Wall-E – what does it teach us about the importance of sustainability?</p> <p>What will happen if we make and use too much new stuff?</p>	

Any completed Family Learning Projects need to be handed in by Friday 17th December and your teacher will then give you feedback.
